TOWARDS A GREENER FUTURE

As one of the leading construction companies in Malaysia, WCT is committed to deliver on our vision to building sustainable buildings and infrastructures. Our sustainable and innovative construction practices have earned us various green building standards and certifications including the Green Building Award recognition by the Construction Industry Development Board (CIDB) of Malaysia at the Malaysian Construction Industry Excellence Awards 2018. In this issue's Cover Story, you can read about our sustainable construction approach and green building projects.

The first half of the year has been eventful for us at WCT. With all the festivities, we are thrilled to celebrate with our fellow colleagues and customers. To discover more of WCT's happenings, do enjoy the read on In The News, Recognitions Corner and Community sections as we put the pages together for the interesting events we have had so far.

We hope that you will make the second half of the year count while we strive to achieve greater heights across the Group.

Till we meet in the next issue!

DISCOVERING SPORTS TALENTS March & April 2019

In March, gateway@klia2's Sports and Recreation Committee (SRC) organised WCT's annual sports tournament. A group of employees from various departments and business units gathered for a friendly table tennis tournament. Meanwhile in May, gateway@klia2 brought together colleagues from Paradigm Mall Petaling Jaya and SkyPark Terminal 3 for an adrenaline-filled inter-mall badminton match.

To encourage camaraderie and teamwork within the workplace, the organising committee introduced the "draw the partner" concept for all categories where the participants were paired randomly by drawing lots. The participants competed in three categories for Mixed Doubles, Women's Doubles and Men's Doubles and the prizes were presented to the winners by Mr Tian Keng Swee, Assistant General Manager of gateway@klia2 during the staff briefing.

CULTIVATING A FIT COMMUNITY January – April 2019

In an attempt to get fit together, Paradigm Mall Petaling Jaya hosted free weekly community workout sessions conducted by fitness instructors from Fitness First. The classes were held at the Boulevard, Level G, ranging from Yoga to Zumba. Approximately 40 participants attended each session and they were guided on building endurance, flexibility and strength. The participants also received vouchers courtesy of participating tenants in the mall.

BRINGING SMILES TO THE UNDERPRIVILEGED CHILDREN 18 February 2019

A group of 22 hotel associates from Première Hotel Klang put happy smiles on the faces of the underprivileged children when they made a visit to Persatuan Penjagaan Kanak-Kanak Cacat Klang.

The hotel team had set up a sumptuous Chinese New Year feast and Lou Sang tossing session alongside a surprise appearance by the God of Prosperity at the home. The children added to the cheerful day by performing the Traditional Chinese Fan Dance and Freestyle Dance for the hotel team. The fun-filled day ended on a joyous note with a presentation of 'ang pows' and daily necessities from the hotel team to all of the 57 children and eight caretakers.

SPREADING LOVE AND JOY AT EN YUAN OLD FOLKS HOME 25 February 2019

The management team and associates of New World Hotel in Paradigm Petaling Jaya made a visit to En Yuan Old Folks' Home in Kampung Tunku. The visit to the shelter home for the homeless and underprivileged elderly was a wonderful way to end the Lunar New Year.

The hotel team organised a heart-warming lunch and a Yee Sang tossing session for the senior citizens at the home. The team also presented basic necessities such as rice, milk powder, adult diapers and a microwave oven for the home and the residents were also presented with 'ang pows'.

SHARING THE JOYS OF RAMADHAN 2 May 2019

In the spirit of giving, Première Hotel Klang kept its annual Bubur Lambuk programme tradition alive by distributing 2,500 freshly-prepared Bubur Lambuk to passing motorists at Toll Kota Kemuning, KESAS Highway and three nearby mosques – Surau Al-Hidayah Bandar Bukit Tinggi 1, Al-Mutakin Surau Taman Sri Andalas and Masjid Jamek Ar-Rahimiah.

A BUKA PUASA TO REMEMBER 7 May 2019

Première Hotel Klang's management and associates continued to spread joy and love by hosting a memorable Buka Puasa for five underprivileged families from Kampung Johan Setia and Port Klang. The dinner was part of the hotel's corporate social responsibility initiative and the families were treated to a delicious buffet dinner at The Buzz Café. The night was made merrier with live entertainment courtesy of Asimilasi Musikal performing a medley featuring top Malay and English hits.

Mr Christopher Chan, Hotel Manager, also presented each of the families with duit raya and a goodie bag filled with daily necessities worth RM2,000.

GIVING A HELPING HAND 10 May – 9 June 2019

To spread the joy and kindness of Aidilfitri, Paradigm Mall Petaling Jaya hosted two charitable deeds, namely A Library of Hope and Denim Donation Drive.

A Library of Hope

Shoppers were encouraged to donate new or used books suitable for primary and secondary school children in any languages. A total of 700 books were collected through a donation box located in the mall and distributed to the children of Rumah Anak Yatim Sungai Buaya, Banting.

Denim Donation Drive

The mall successfully collected 200 pieces of used denims from our supportive shoppers. The denims were then donated to a social enterprise, Suri Lifestyle to be upcycled into unique handcrafted products for sale by underprivileged mothers.

BUILDING THE GREEN WAY

We believe that the future lies in the way we manage the present. With the rise of green building practices in Malaysia, WCT makes building sustainable infrastructures our priority as we uphold our vision to instil sustainable development while minimising the environmental impact for all.

Our commitment to deliver the green promises is backed by two ISO Certifications which have been achieved through continual improvement of management systems in accordance to the international standard requirements and various green building certifications.

**ISO 14001:2015
Environmental Management System**
For an environmentally sustainable community where our business operates in a manner that reduces any adverse impacts on the environment.

**ISO 9001:2015
Quality Management System**
For quality assurance and excellence of our services.

Benefits of green buildings:

Eliminates and reduces negative impact on the environment such as minimising waste and maximising energy and water efficiency.

Benefits include cost savings on utility bills for tenants through energy and water efficiency. Green buildings also equate to a higher property value for developers and homeowners.

Areas with green buildings are seen to bring positive social impact and can provide enhanced health and wellbeing for those who work or live in green offices or homes.

Materials Reused for Temporary Work Structure

The construction team reused materials such as **system formwork, tabular-staging or scaffolding, and sheet piles for temporary structures and works**. Our primary system for reuse is the PERI formwork which has been used for the beam, slab, wall and column construction. This allows materials to be reused for more than 10 times within the project period, reducing construction waste.
